

Creating Confident Caregivers

A program for family members caring for a loved one with dementia and/or memory loss.

About the program -

Creating Confident Caregivers utilizes the Savvy Caregiver Program, a university tested program for family members caring for a loved one with dementia at home. Two hour sessions are held once a week for six weeks and lead by dementia care specialists. This program provides participants with information, skills and attitudes to manage stress and increase effective caregiving skills.

Free Respite Care -

Care for your family member with memory loss can be provided free of charge so you may attend the class sessions.
